2018 Oak Tree Summer STREAM

Week 1: 6/25-6/29- Summer Spirit

Time to show your camp spirit! Campers will be creating colorful works of art to reflect the inspirations of summer. Campers will assist in the making of our camp banner which we will bring with us to our annual Camp Day later in the season. Everyone will be going home daily with cool summer inspired crafts!

Week 2: 7/2-7/6- Natural Wonders

Natural Wonders are everywhere in the world, and campers will be learning and discovering these throughout the week. We will focus on the ecological inter-connections of various natural systems in our area and will learn how even the smallest disruption to one can effect the who ecosystem!

Week 3: 7/9-7/13- Water Exploration

Water water everywhere...During this week we will be playing a variety of water focused games and conducting several water based experiments. Be sure to send children with extra clothes or in their bathing suits!

Week 4: 7/16-7/20- Outer Space Odyssey

Space may be the final frontier, but by the end of this week your camper will have explored it! Throughout the week we will be learning about the technology in space travel and the sciences of living outside our atmosphere. Campers wil make moon rocks and create their very own Galaxy in a jar!

Week 5: 7/23-7/28- Color Chemistry

Campers will have a colorfully messy experience like no other! We will be creating a variety of vibrant crafts, tie dying shirts and conducting color focused science experiments throughout the week!

Week 6: 7/30-8/3- Goin Green

This eco-friendly focused week will be introducing campers to the problems that global climate change is causing and what we can do to fix it! Campers will be creating "green" crafts and conducting ecological experiments!

Week 7: 8/6-8/10- Fostering Our Future

This week campers will be focusing on their goals in life. We will be learning about interesting new careers and being taught some of the skills needed for them like coding. We will even have outside speakers tell us about what they do, and what it takes to accomplish those goals!

Week 8: 8/13-8/17- Mystery Madness

Young investigators will spend the week solving puzzles and mysteries that the counselors present. Each day there will be something new the group has to solve, and will even have to figure their way out of an escape room!

Week 9: 8/20-8/24- Travel Through the Decades

Each day campers will be travelling back through time to a different decade! We will be discussing the history and innovations of the time period and how it all connects to today. Campers will get to recreate and keep some of the famous inventions from the past!

Week 10: 8/27-8/31- Fantastic Finale

We've got a little bit of everything for this week! As we wrap up the 2017 camp season we will be hosting a variety of physical activities, crafts and experiments to close this year's camp. Special activities are scheduled daily!
