# Class Descriptions

Yoga—Build a strong body, mind, & spirit. This class incorporates poses and breathing exercises to improve posture, flexibility, balance, and energy levels.

Yoga Toning—This class focuses on building a strong body, mind & spirit. Core mat work incorporating the use of light weights & toning exercises improving overall health & wellbeing.

Aqua Fit—Total body Aquatic fitness class. Use aquatic dumbbells & noodles to create a heart pumping cardio & strength class.

Total Body Sculpt—Gentle aerobic conditioning activity, traditional toning exercises to get the heart pumping & gently sculpt the body.

Total Body Conditioning—This class will include lower body, upper body and core strength segments that will strengthen and tone your total body!

Forever Fit—A community-based recreational exercise program developed by the Arthritis Foundation. Our trained AFEP instructor leads a variety of range-of-motion, endurance-building and balance exercises.

Zumba®—Come join our party! Perfect for everybody and everybody! Zumba® class mixes low and high intensity dance moves for an interval-style, calorie-burning dance fitness party to Latin and International beats.

Silver Sneakers Classic—This class focuses on strengthening muscles and increasing range of movement for daily life activities. Dumbbells, tubes, bands, and chairs are utilized for the exercises in this class.

Cycling—Be ready to get your sweat on! We'll motivate and guide you on a high energy indoor ride! You can work at your own individualized level by adjusting the tension on the bike. Limited to 9 participants per class. New participants should arrive early to set up your bike for a safe comfortable ride.  
Water bottle & towel mandatory.

Cardio Fit—Increase your cardiovascular endurance, muscle strength, and flexibility in a class designed to allow participants to establish their own goals so that people of all fitness levels are welcome.

Aqua Splash—Use Noodles & aqua dumbbells, splash to the music while burning calories & having fun!

Chair Yoga—A gentle form of yoga that is practiced sitting on a chair or standing using a chair to help those with mobility issues. It helps to stimulate physical and mental wellbeing by reducing stress and improving mental clarity, flexibility and strength.

Aqua Jam—This high energy low impact class is perfect for those looking to make a splash by incorporating all elements of fitness (cardio, strength, balance, core and flexibility) The goal of this class is to explore movement using multi-directional resistance of water.

Pilates—A body conditioning routine that helps build flexibility, muscle strength and endurance in the legs, abdominals, arms, hips and back. Emphasis is on spinal and pelvic alignment, breathing and developing a strong core and improves coordination and balance.

Cardio Kickboxing—An aerobic workout including boxing and martial arts moves. A great total body workout that can improve strength, cardiovascular endurance, flexibility, coordination, and balance.

Aqua Sculpt—Tone & sculpt your entire body in the pool. Use the resistance of the water along with aquatic equipment to create a total-body workout while protecting your joints.

Aquacise—Reduce the impact on joints, bones & muscles in this energizing total-body workout in the pool!

Senior Cycle—This spin class is perfect for those new to spin or recovering from an injury. The instructor will take time to set you up properly on the bike & will teach you everything you need to know to get your motor running. You will get a safe effective workout. Great for all levels.

Aqua ZUMBA®—The Latin inspired dance steps from ZUMBA into a Pool party. This class offers a challenging water based, full body cardio & toning water workout. All fitness levels are welcomed!

Water Aerobics—Come splash & burn with this fun total-body water aerobic exercise class.

Bootcamp—A challenging circuit structured workout designed to improve cardiovascular endurance, muscular strength & endurance, coordination, and agility. Modifications offered for all fitness levels.

Cardio Fit—A great full body low-impact cardiovascular workout for all fitness levels.
