Ready, Set, Summer!

(June 21st-25th)

Join us as we kick off the summer! It's all about safe fun! We'll get to know our fellow campers through games and competitions as we learn to incorporate the Y's core values into each day.

Designed by Progreve

Hooray USA!

(June 28th- July 2nd)

Let's discover the land we call home. We will celebrate everything red, white and blue, from local heroes to monuments across the nation. We have so much to explore!

Color Craze

(July 5th-9th)

Spin around the color wheel! Get ready for a bright and colorful week! We will be spreading positivity and joy through crafts, games, and fun activities.

Thumbs Up for Gardening

(July 12th-16th)

Show off your green thumb as we explore the gardens. Tending the garden involves much more than watering. Get down and dirty as we take care of our plants and create art projects to add some pizzazz to the area.

Trash to Treasure

(July 19th-23rd)

This week is all about being environmentally green. Turn a box into a marble maze, a water bottle into jewelry. Create projects out of materials normally destined for the trash.

3. 2. 1. Blast Off!

(July 26th-30th)

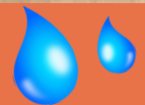

Join us this week as we travel out of this world to explore the stars, planets, launch a rocket, try freeze dried food and make it back to Earth in time for dinner. One small step for your camper, one giant leap for the summer.

H-2-wOah!

(August 2nd-6th)

Beat the summer heat with wacky water fun! Come ready to get wet and enjoy water games, relays, water balloons, and team competitions. Stay cool!

It's Cool To Be Kind

(August 9th-13th)

This week, get ready to show your kindness to others. Write a letter to someone who has made a difference in your life, paint inspirational rocks to leave for others to find. How many random acts of kindness can you

Science Rocks!

(August 16th-20th)

It's all about the experiments this week. Through teamwork, problem solving, and creativity, campers will get hands-on experience making hypotheses and trying to prove them through experimentation.

We've Got The Spirit

(August 23rd-27th)

It's time to show your Y spirit! Design a banner highlighting the summer activities you enjoyed. Campers will make and wear crazy socks, challenge friends in Minute to win it games and exemplify the Y's core values as they create and compete.

SUMMER CAMP

8:00am - 5:00pm *

Full Week	\$255
3 Day	\$220
