

## FAMILY HUDDLE

### Feed the Birds

Make a bird feeder for your feathered friends.

- Look around your yard or walk around your neighborhood to find pine cones.
- Tie a string around your pine cone.
- Spread peanut or other nut butter over the pine cone.
- Roll the pine cone in bird seed and coat it well.
- Hang your feeders from a tree and watch the birds enjoy!

## HEALTHY SPIRIT, MIND, AND BODY

### Recipes for a Budget

Access hundreds of free recipes for those cooking on a budget.

Recipes can be searched by cooking method or main ingredient. All recipes include the estimated price per serving.
