A MESSAGE FOR OUR PRESIDENT & CEO

Here at the YMCA of Metuchen, Edison, Woodbridge & South Amboy, we are grappling with the horrific events of last week and the sad realization that racism continues in our nation. As an organization that promotes cross-cultural understanding and cohesion, please know that we will stand as one against racism and do everything in our power to create a safe place where everyone can feel welcomed, protected and valued when you enter our doors. We will tolerate nothing less. We stand behind our neighbors who are hurting and want them to know that we are here to support them. We cannot continue to live in a society torn apart by discrimination based on race, creed or religion. We must do better. [#ForABetterUs](#)
