FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear Parents and Friends of the Metuchen Branch Y,

Welcome to our School Age Child Care Program, otherwise referred to as **SACC**.

Our program started in 1990 and we believe that all children deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

As part of our weekly schedule, we include **CATCH (Coordinated Approach To Children's Health)** which entails physical and nutrition activities to keep our children moving and to help them make good choices about the food they eat.

We look forward to working with all of you as we continue to make positive changes in our SACC program to help our children grow into lives which are healthy and fulfilling.

The Y is about youth development, social responsibility and improving the health and wellness of our nation. Welcome to our Y family and thank you for your ongoing support!

Sincerely,

Gabriella St. Fleur
School Age Child Care Director

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center. SACC PROGRAM INFORMATION

The Metuchen Branch Y School Age Child Care Program strives to offer quality before and after school care to children in Kindergarten through 6th grade. The purpose of the program is to provide a safe and educational environment for the children during out-of-school time. We work together to build strong personal, social and life skills through the Y core values of **Honesty, Caring, Respect, and Responsibility**.

MORNING CARE

The morning care environment differs a little bit from the afternoon. Beginning at 7am, the children are grouped all together to do constructive, calm activities prior to school. Parents or guardians are required to sign their child into the program each morning. Students are able to finish last minute homework, interact with peers, play board games, etc. Students are welcome to bring a disposable, healthy breakfast from home if needed. Middle schoolers must arrive at the Y by 7:40am and elementary schoolers by 8:15am to be able to ride the bus to school.

AFTER SCHOOL CARE

In the afternoon, the children are picked up from school in Y buses. A Y bus aide is present on each bus. When the children arrive at the Y they are separated appropriately by grade. A healthy snack is offered and homework time begins. We encourage all of the children to at least start their homework. Then, they are able to break into grade-level activities, supervised by SACC counselors. We strongly encourage at least 45 minutes of physical activity daily. Activities are pre-planned and begin around 3:30pm. Outdoor play, sports, arts & crafts, science, nutrition, swimming or CATCH games are scheduled throughout the week. SACC begins winding down around 6:00pm and ends at 6:30pm or if you pay for extended care 7:00pm sharp. There are no accommodations for children after 7pm. Late fees are added to your child's account and are expected to be paid at pick up. \$5 for the for 10 mins and \$1 per min after that.

HOLIDAY CARE ONLY FOR OPTION B PARTICIPANTS

Holiday Care is a program at the Y, for the days or weeks when the schools have SCHEDULED days off. Often times a field trip and a special schedule is planned which may incur an additional fee to a local place of interest. Lunch is not included. Beginning any time after 7am, SACC children are dropped off at the Y and signed in by a parent or guardian. The day may include swimming, special entertainment, movies, sports etc. Holiday Care ends no later than 6:30pm or 7pm if you pay for extended care.

GUIDELINES FOR POSITIVE DISCIPLINE

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of the individual child, the group and the adult.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells children what they should do. Punishment teaches fear; positive discipline teaches self-esteem.

Positive Discipline is Effective When Planning Ahead

- Have a few consistent clear rules that are explained to children and understood by adults.
- Anticipate potential problems.
- Have a well-planned daily schedule.
- Plan for ample elements of fun and humor.
- Include some group decision-making.
- Provide time and space for each child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide the structure and support children need to resolve their differences.
- Share ownership and responsibility with the children. Talk about our room, our equipment.

Positive Discipline Can Be Used by Intervening When Necessary

- Re-direct to a new activity to change the focus of a child's behavior.
- Provide individualized attention to help the child deal with a particular situation.
- Use time-out by removing a child for a few minutes from the area or activity so that he/she may gain self-control. *Children will be monitored by staff during time-out.*
- Divert the child and remove from the area of conflict.
- Provide alternative activities and acceptable ways to release feelings.
- Point out natural or logical consequences of children's behavior.
- Offer a choice only if there are two acceptable options.
- Criticize the behavior, not the child.

Positive Discipline Can Be Used Showing Love and Encouragement

- "Catch the child being good".* Respond to and reinforce positive behavior; acknowledge or praise to let the child know you approve of what he/she is doing.
- Provide positive reinforcement through rewards for good behavior.
- Use encouragement rather than competition, comparison or criticism.
- Overlook small annoyances and deliberately ignore provocations.
- Build and nurture a caring relationship to every child every day.
- Appreciate the child's point of view. Be loving, but do not confuse love with license.

INFORMATION TO PARENTS

Under provisions of the Manual of Requirements for Child Care Centers N.J.A.C. 10:122, every licensed SACC Program in New Jersey must provide to parents of enrolled children written information on parent visitation rights, state licensing requirements, child abuse/neglect reporting requirements and other SACC matters. Our program is required by the State Child Care Licensing Law to be licensed by the Bureau of Licensing of the New Jersey Division of Youth and Family Services. A copy of our current license must be posted in a prominent location in the YMCA. To be licensed, our program must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations).
