

# FIND YOUR REASON TO GIVE.

Summer is the ideal time for kids to get up, get out and explore. But for some kids in our communities, summer means no access to recreational or educational activities because of the cost. YMCA Summer Camp is only available to them through the support of their neighbors and donors like you.

Scan here to start a fundraising campaign with your friends to help Send A Kid to Camp.

The Send A Kid To Camp Fund is provided to families who express a need for assistance. Due to unemployment or under-employment, health issues or emergency financial events, families are struggling to afford recreational and education experiences for their children during the summer months. That's where you come in.

## Children need camp!

## WHAT WILL MY GIFT DO?

Y campers are less likely to experience summer learning loss and become inactive. With access to S.T.R.E.A.M. programs, swimming, sports and day trips, kids in Y camp can have the BEST SUMMER EVER. Parents are able to go to work knowing their children are in a safe, stimulating and happy place. The campers who receive financial assistance to attend camp would not be there without you.

**\$50** = Provides a child one week of camp swimming lessons, building self confidence and life saving water safety skills.

**\$75** = Provides one week of healthy meals for campers, ensuring children who rely on free meals during the school year can eat healthy all summer long.

**\$300** = Ensures a child can attend summer camp, regardless of their family's financial situation.
