Aquatic Safety: Test, Mark and Protect

Test, Mark and Protect is our Aquatic Safety Policy for all of our indoor and outdoor locations. This policy outlines new swim testing requirements, use of Personal Flotation Devices and adult supervision guidelines.

- ♦ **Test:** swim test to determine swimming ability. Everyone under 18 years must be swim tested.
- ♦ **Mark:** clearly mark all users to identify swimming ability with wristbands
- ♦ **Protect:** the non-swimmer by them being actively supervised, within arm's reach of an adult parent or caregiver; and/or the non-swimmer is wearing a properly fitted US Coast Guard approved Life Jacket.

It is our policy that outdoor pools be closed during thunder or lightening for a minimum of 30 minutes. **No one will be permitted to remain on the pool deck.** The Oakcrest pool management reserves the right to close the facility for inclement weather. Safety breaks for lifeguards are at the discretion of the Pool Manager.

Swim Club Behavior

Creating a safe and welcoming environment is a team effort. We ask everyone including staff, members, and guests to follow our Code of Conduct and Pool Rules, which are based on our core values of caring, honesty, respect, and responsibility.

- All members must be respectful to other members and guests at the swim club. Failure to do so could result in termination of membership or removal from the property.
- Please use appropriate language when addressing other members, guests, or staff.
- Members must have each family members' swim card present upon each visit to the swim club. Loan of this card subjects the owner to lose their membership.
- Celebratory events, decorations, ect. Are not permitted on the upper pavilion and areas around the pool. Please leave tables and chairs in place. Please see Group Rentals, above, for more details.
- Please do not reserve tables or chairs for members who are not present. The reserved seating is for handicap or disabled individuals who are physically or mentally not able to go to the other seats.
- It is our policy that outdoor pools be closed during thunder or lightning for a minimum of 30 minutes. No one will be permitted to remain on the pool deck.
- The Oakcrest pool management reserves the right to close the pool for inclement weather.
- Please keep music at a reasonable volume; ear phones are suggested. Failure to comply will result in expulsion for the day.
- Safety breaks for lifeguards are at the discretion of the Pool Manger.
- Drugs and Alcohol are PROHIBITED on swim club grounds and will result in membership termination or law enforcement intervention. Coolers and bags are subject to inspection. This rule is strictly enforced.
